COMMANDER'S POLICY

POLICY NUMBER: 20	DATE: 1 October 2005

SUBJECT: Student Misconduct in Department of Defense Dependent Schools (DoDDS)

1. **REFERENCE:** AE Regulation 27-9, Misconduct by Civilians, dtd 9 May 2003.

2. **PURPOSE:** To outline policy for student misconduct in DoDDS.

3. **SCOPE:** This policy applies to Soldiers and civilians with family members attending DoDDS within the USAG, Franconia footprint.

4. **POLICY:**

   a. In concert with DoDDS administration and the USAG Franconia, reports of school misconduct resulting in a student suspension are forwarded to the USAG Franconia Civilian Misconduct Action Authority (CMAA). AER 27-9 empowers the Civilian Misconduct Action Authority to take a host of administrative actions that include but are not limited to: counseling, Letters of Warning, suspendsion or revocation of logistical support, voluntary community service, or direct early return of the offender to CONUS.

   b. IAW AE Regulation 27-9, it is the sponsor's responsibility to prevent misconduct by family members. School misconduct is clearly inconsistent with the need to maintain good order and discipline in the community.

   c. When a student is suspended from school two days or more for any offense, requesting the offender to perform community service is the most common administrative action utilized. Community service is the means by which the offender can show that he/she wishes to remain a responsible member of the community. Parents will contact the POCs on the suspension letter to coordinate their child's community service. Further acts of misconduct will result in additional administrative action.

5. **PROPONENT:** The proponent for the policy memo is theUSAG, Franconia, Assistant Civilian Misconduct Action Authority, DSN 351-4513.

6. This policy memo supersedes 98th ASG Policy Memo 1-4 dtd 1 August 2005.
